Capacity Building Programme

ITS INDIA CONGRESS 2026

Capacity Building for ITS in India

Our Capacity Building programme has taken off

Executive PhD

Programme started

For senior professionals shaping ITS policy, research and practice

Global MS

Programme started

International master's pathway in Intelligent Transport Systems

The first cohort is under way, with many more students to follow.

Akhilesh Srivastava | President, ITS India Forum

This is just the beginning

Our vision is clear: to create

100

ITS Thought Leaders

With PhDs and Global MS degrees, to steer India's ITS journey forward

10,000

Skilled ITS Professionals

From field engineers and supervisors to middle management executives and managers
